RNHA FLORIDA WELCOMES LATIN AMERICAN AND CARIBBEAN DELEGATIONS TO THE FREE STATE OF FLORIDA

Florida Proudly Hosts the World as Hard Rock Stadium and Miami Welcome the 2026 FIFA World Cup

MIAMI, FL — June 2026 — The Republican National Hispanic Assembly of Florida (RNHA Florida) extends a heartfelt and proud welcome to all delegations from Latin American and Caribbean nations arriving in the Free State of Florida for the 2026 FIFA World Cup. As one of the premier host cities of this historic global event, Miami and the greater South Florida region stand ready to receive the world with the warmth, hospitality, and hemispheric spirit that define our great state.

South Florida is more than a geographic neighbor to Latin America and the Caribbean — it is a living testament to the enduring bonds our communities have built across generations. We proudly acknowledge the deep diplomatic, economic, and humanitarian ties that connect Florida to our sister nations, including Cuba, Venezuela, Colombia, Mexico, Haiti, the Dominican Republic, Brazil, and Puerto Rico, among many others. From the consulates and trade missions that operate within our borders, to the families who have built lives here in pursuit of freedom and opportunity, Florida's identity is inseparable from the richness of the Western Hemisphere.

The RNHA Florida is proud of the diverse make up of its Board and the wide representation we have across the Caribbean and Latin America. We call on all Floridians to embrace every delegation, every fan, and every visitor of the 2-26 FIFA World Cup with the open arms that have always made South Florida a second home to so many.

The RNHA Florida reaffirms its commitment to strengthening the relationships between the United States and the nations of Latin America and the Caribbean — through diplomacy, commerce, cultural exchange, and shared conservative values rooted in faith, family, and freedom. We are proud that Florida serves as the gateway to the Americas, and we are honored to welcome the world to our home.

"As Florida Chair and National Secretary of the RNHA, I am deeply proud of the bonds our state shares with the nations of Latin America and the Caribbean. These are not just diplomatic relationships — they are family ties, built through shared sacrifice, shared values, and a shared love of liberty. South Florida is the heart of the Americas, and we welcome every delegation to our home with open arms. ¡Bienvenidos a la Florida Libre!" stated Barbara Casanova.

RNHA Florida wishes every nation, every team, and every delegation the very best during the 2026 FIFA World Cup. May this tournament be a celebration of unity, sportsmanship, and the enduring friendship between the peoples of the Americas.

¡Bienvenidos a la Florida Libre!
